DANCESPORT WESTSIDE

For The Teachers

- We offer programs in a variety of formats, with longer programs including an award/certificate. Our staff can teach more than 1 home group at a time, or even an entire year level at once. This format works particularly well for Grade 6 Graduations and Year 10 formals.
- Dance classes for formals can be a special time for students, enjoying sharing time with their friends while learning important social skills. And learning to dance!

For The Teachers

- While we can send staff to your school at any time, and utilise their scheduled PE class time or similar, some primary schools prefer to have a full day program, once each term. This system allows every student in the school to participate in a dance program on the one day (eg Prep/1/2 before recess, 3/4 till lunch, and 5/6 in the afternoon).
- A Dance Competition can be included at the conclusion of your program, held at your school. Kids love the fun and excitement of their very own Competition. Competing in pairs, teams, or classes, its a great way to get everyone participating.

For The Teachers

- We accommodate differently abled students within our programs. We teach special needs students regularly, both integrated and in specialised classes.
- The Studio at Dancesport Westside is also available for school programs. Some schools prefer to use a venue with dance floor and mirrors, rather than their schools gym or multipurpose rooms.

For The Teachers

- As each of these formats is quite different pricing can get confusing. Especially when you also include the varying class sizes at each school. Simply put, our price structure is based on a per student, per session basis. Larger classes (year levels for example) require more than 1 teacher. No problem! We can easily send 2 or more teachers.
- Discounts apply to multiple classes. Essentially, more classes equals greater discounts. We understand you need to have options. Please don't be shy in asking!

For The Students

- Ok, some of us have a couple of left feet. Or feel like the most uncoordinated person on the planet. That's not a problem! The staff at DSWS will keep it simple. And they won't stress you out with weird, old music you cant relate to. We don't like it either!
- We wont teach you complicated dances that make your head spin and we wont make it all serious. We like to dance! Its fun! And we keep it that way.

Always!

For The Students

- Most school programs, including deb sets, do “traditional” dances. We teach funky, energetic dances like salsa (yep, even for Debs!) Cha Cha and Tango. We do teach waltzes sometimes, & even the Pride of Erin, but to Beyonce or Ron Pope (the wedding song from Twilight? Brilliant!)
- Anyway, we design our programs around the kids in it. So a grade 6 program is TOTALLY different to a year 10 one.
- Jump onto our Facebook page to check us out! And if you want to get us into your school to have some fun, tell your teachers to send us an email!
